FRANKFORT ROUNABOUT

FRANKFORT, NOVEMBER 15, 1890.

A New Paper at Versailles.

Mr. Henry will commence the publication of a new paper at Versailles on the first of January, to be called the Clarion.

Polk's Cousin.

Hon. Tom. L. Johnson, the newly elected Congressman from the Cleveland, Ohio, district, is a cousin of Col. E. Polk Jonson, of this city.

Billy Robbed.

The residence of Mr. William Rake, formerly of this city, was broken into in Louisville Tuesday night and robbed by burglars. A watch and some silverware was taken.

Nearing Completion.

Mr. John E. Glenn's new cottage residence on Arlington Heights is rapidly approaching completion.

Coming In.

All the convicts now at work on railroads and other works outside the walls will be brought in by the 15th of December, and a large number will be transferred to the Branch Penitentiary at Eddyville.

Liabilities Large.

The liabilities of Mr. M. B. Fordwood, the merchant at Elmvale, this county, who made an assignment two weeks ago, amount to \$21,000, while his assets will only amount to \$12,500.

Lexington Teachers Coming.

Prof. M. A. Cassidy, Superintendent of Schools in Lexington, will bring all the teachers of the Public schools in that city down this morning to visit the Constitutional Convention.

Gratifying to All.

The high position attained and the universal acceptance and approval of the pleasant liquid fruit remedy Syrup of Figs, as the most excellent laxative known, illustrates the value of the qualities on which its success is based and are abundantly gratifying to the California Fig Syrup Company.

Dirt Wanted.

Such a large quantity of the earth taken from the excavations made for the new sewers in South Frankfort was used in filling up private property that the city now has to hunt around for dirt to fill up the holes in the street made by the recent rains. It looks like the ground above the sewers will never get through settling.

Will Consolidate.

The joint committee of the two Masonic Lodges in this city—Hiram and Esoteric—have at last agreed upon a plan of consolidation for the two bodies and have made a unanimous report to that effect. The number of Hiram Lodge is to be retained—No. 4—and the Grand Master requested to name the new Lodge. The consolidation will be completed about the 27th of December.

A Valuable Discovery.

Dr. Brown Sequard's elixir of youth may be an important discovery, but every one knows that Dr. Franklin Miles' New Heart Cure certainly is. It has given thousands afflicted with serious heart disease a new lease of life. Druggists, who can observe its effects on many customers, everywhere speak very highly of it. Mr. John Weaver, of Knightstown, Ind., says: "I have sold much of Dr. Miles' New Cure and have received many good reports." O. Monroe, of Dunkirk, N. Y., reports large sales. "And the best part of it is every bottle has given satisfaction." Sold and guaranteed by J. W. Gayle.

Resolutions of Respect.

At a meeting of the German citizens of Frankfort, called for the purpose of taking proper steps on the death of Prof. J. O. Mauer, the following preamble and resolution were adopted.

WHEREAS, It has seemed good to the almighty God to remove from our midst our late worthy and esteemed fellow-citizen, J. O. Mauer, and, WHEREAS, The intimate relations long held by the deceased with all classes of society render it proper that we should place upon record our appreciation of his merits as a man and a citizen; therefore,

Resolved, That we deplore the loss of J. O. Mauer, with deep feeling of regret, softened only by the confident hopes that his spirit is with those who, having fought the good fight here, are enjoying perfect happiness in a better world.

Resolved, That we tender to his afflicted widow and relatives our sincere condolence, and our earnest sympathy in their affliction at the loss of one who was a good citizen and an upright man.

Resolved, That we will attend our deceased friend to the grave in a body, and there place a floral tribute upon his mound as a last token of our friendship.

Resolved, That a copy of the foregoing preamble and resolution, signed by the Chairman and Secretary, be transmitted to the relatives of the deceased.

"Merrily, merrily, shall I live now," the little girl said, "for I am not to be kept in because of that horrid neuralgia. My mamma has bought a bottle of Salvation Oil from the drug-gist and it cost only 25 cents a bottle."

New Jersey has a Baptist minister who claims to have baptised more people than any other man in his church. The community in which he resides has been grieved over his stubborn cough that has interfered with his pastoral duties. A physician recommended Dr. Bull's Cough Syrup, and consequently there will be baptism in his church next Sunday.

C. H. BOGMAN, M. D.

The Eminent Specialist, formerly resident Physician of the Philadelphia General Hospital, Physician in charge of the Ohio Medical Institute, Cincinnati, Ohio, has for twenty five years successfully devoted his time to the treatment of his specialties. He successfully treats all curable cases of Chronic and Nervous Diseases. His treatment is based on the largest experience after thorough educational preparation.

Rheumatism is essentially a disease of the nervous system, as all late investigation proves beyond a doubt. Acting upon this theory we have for years treated it with phenomenal success. The deformities and heart affections resulting from rheumatic inflammations may all be avoided or cured by our treatment.

Bright's Disease of the Kidneys is the result of faulty nutrition, over stimulation, or the use of improper remedies to increase the flow of urine. Diseases of the Digestive Organs are the most frequent causes of the more fatal diseases. Dyspepsia, Liver Complaint, Constipation and Chronic Diarrhea, all result in imperfect nutrition, and render life miserable. Early interference is true economy of time, money and health.

Young Men, who are rapidly approaching insanity and death from secret habits will do well to consult us at once. These habits are the result of disease—not vice—and we cure such cases without fail. We invite your fullest confidence and promise you relief.

Middle-Aged Men who observe certain irritations of the bladder and urethra or water passing, with sediments in the urine, should avail themselves of our treatment. Such symptoms are indications of seminal weakness which admit of no delay.

Every person consulting us should bring or send four to six ounces of their urine, which we will submit to a thorough microscopic examination and chemical analysis, a certificate and chart of which will be furnished the patient.

We cure old cases which have baffled the skill of other physicians—Why? Because our extensive experience enables us to recognize the causes of disease.

We invite all who have failed to obtain relief elsewhere to consult us. All curable cases are guaranteed.

Patients treated by mail and express. Where possible personal consultation is preferable. List of questions sent free on application.

All cases and correspondence strictly confidential. Treatment sent by U. S. Mail, part of the United States and Canada. Address with stamp for reply.
